CChints: This is a good side dish for grilled fish or chicken. The sun-dried tomatoes add a nice kick to a normal box of long grain and wild rice.

1/2 cup sun-dried tomatoes packed in oil.

Drain and reserve 1 tablespoon of oil and chop the tomatoes

6 ounce box long grained and wild rice with flavor packette

Prepare rice according to package directions, except you will be substituting butter or oil for the 1 tablespoon of sun-dried tomato oil that you have reserved. Fill the sauce pan with the amount of water instructed on the box. Stir in the rice and flavor packette and add the sun-dried oil and tomatoes.

Cover and bring to a boil. As soon as it boil, reduce heat to low and simmer covered for 25 minutes or until the water is absorbed.
